Cooper Hurley Injury Lawyers Donates 1,200 Meals to Those in Need

Debbie Hansely, Tiffany Bradshaw our Digital Marketing Assistant and Jessica Sullivan the Director of Development for the Foodbank stopped for a picture after the event.

For the months of April and May, the Foodbank of Southeastern Virginia and the Eastern Shore hosts its annual Legal Food Frenzy, a donation competition amongst local law firms. The Cooper Hurley Injury Lawyers family is proud to announce that for the 3rd year in a row, we participated in this community competition. We were able to donate over 1,200 meals to those in need throughout Hampton Roads!

The Foodbank receives less donations in the summer months than they do the remainder of the year. They are always looking for businesses and individuals to partners with. If you are interested in fighting hunger in Hampton Roads visit www.foodbankonline.org

4 Vacation Tips You Didn't Know You Needed

'Tis the season! No, the other season- vacation time! As the summer heats up we know your family is looking for some rest, relaxation, and for you to spend an extraordinary amount of money on your summer retreat. Whether you'll be local or halfway around the world, here are a few vacation tips you didn't know you needed:

01 BUDGET
Set a daily budget for your trip before you leave home. Do not get carried away with buying souvenirs that will just sit around and collect dust. Spend money on the experiences that only a vacation can offer.

02 GET TRAVEL VACCINATIONS
If you are traveling to exotic locations that require vaccinations, make sure that you book your doctor's appointment months in advance. It would be horrible to plan all that wonderful vacation only to be told that you can't enter the country because you do not have the proper vaccinations.

03 DO YOUR RESEARCH
Summer festival season is the perfect time to plan a vacation. Many popular vacation destinations have summer events that are focused around the local events in their area. So if you are a strawberry lover a Strawberry Festival would be the perfect vacation for you, and if you love jazz, there are plenty of great jazz festivals to plan your trip around.

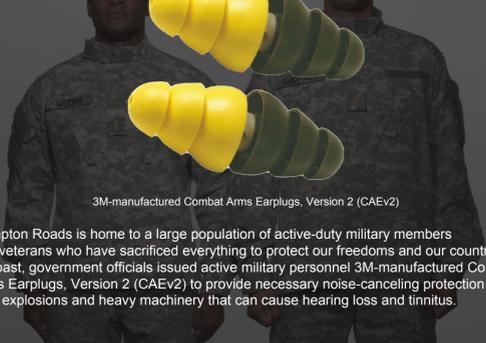

04 EXPERIMENT WITH NEW FOODS

Do not, we repeat DO NOT eat at a restaurant that you can get at home while you are on vacation. Try something new. Try a new restaurant that you have never heard of before or a cuisine that you would never eat at home.

Here is the Maguire family on vacation at the most magical place on earth! We hope they met Mickey and the gang.

Military Service Members: Do you suffer from hearing loss or ringing in your ears?

3M-manufactured Combat Arms Earplugs, Version 2 (CAEV2)

Hampton Roads is home to a large population of active-duty military members and veterans who have sacrificed everything to protect our freedoms and our country. In the past, government officials issued active military personnel 3M-manufactured Combat Arms Earplugs, Version 2 (CAEV2) to provide necessary noise-cancelling protection from loud explosions and heavy machinery that can cause hearing loss and tinnitus.

However, information has come to light that indicates these earplugs were ineffective. In some cases, the negligence of earplug manufacturers may have resulted in hearing loss or other ear injuries.

If you or a loved one have used these earplugs in combat and suffer from hearing loss or Tinnitus (ringing in ears), please give our office a call at 757-455-0077.

Congratulations! To our Super Lawyers & Rising Stars!

John Cooper SUPER LAWYER, Jim Hurley SUPER LAWYER, John Baker RISING STAR, Bill O'Mara RISING STAR, Griffin O'Hanton RISING STAR

Less than 5 percent of attorneys make the Super Lawyers list in Virginia and under 2.5 percent of young lawyers are named as Super Lawyers "Rising Stars."

We are proud to have such a "super" team at our firm!

Moms of the Year

Meet Krystal and her beautiful family. She is our favorite cancer survivor and of the Cooper Hurley Injury Lawyers moms of the year award

This year we gifted 3 deserving moms with a beautiful Mother's Day gift package of a Coach purse, matching wallet & Pandora bracelet. Here is Krystal, her six children & husband Bryon that nominated her for the Moms of the Year Contest. Krystal chose the pink Coach bag and wallet because she was diagnosed with Stage 4 Breast Cancer in November. Let's send her lots of love and support!

Here is an excerpt from Bryon's entry:

"My wife Krystal Stanley is so deserving to win the Mother's Day Gift. She is a great wife to me, a dedicated mother of our six children, and an all-around just good hearted person."

Here We have Willie and Bernice Spivey Proudly Standing Next to Jim Hurley after their Settlement

"It was a good experience...I didn't really know what I was doing and they explained it to me very well...a big shout out to Billie Jo!!!!"

- Willie's Google Review
